To reduce all forms of commercial sexual exploitation through an accountability-focused program for men who have solicited commercial sex

Program Outcomes:

Participants will...

- hear testimonies from local survivors about the impact of men's sexually-exploitative choices
- receive information on the realities of the sex industry, prostitution, pornography, and trafficking
- understand the attitudes, behaviors, and social forces that lay the foundation for male violence and abuse
- recognize and interrupt their individual decision-making process to prevent further exploitation.
- receive resources and referrals

Enrollment Process:

1. Visit www.cmsac.org/mase
2. E-mail completed intake to cmsac@cmsac.org (use subject: *MASE Intake*)
3. Call CMSAC during business hours (Monday-Friday, 8:30 a.m.- 4:30 p.m.) at 320-251-4357 to confirm that we have received your intake and to confirm there is still space for you to enroll in the next class

Your confirmation call and \$150 down-payment will officially register you for the class

**Please note: MASE is an equivalent to other "John Schools"/demand reduction programs across the country. MASE is not intended to be a diversion program to escape charges*

The cost to attend MASE is \$800. Proceeds will fund victim services for survivors of sexual violence and exploitation served at CMSAC
